SPRING AHEAD TO SUMMER

SUMMER IS ALMOST HERE AND THE EXCITEMENT AT MUNRO IS IN FULL BLOOM!

By Makayla

As the anticipation grows, Munro's Newspaper Club is pleased to present you with a number of lovely spring/summer themed student works including art, literature, fashion, and more!

Thank you to all the creative minds who made this edition possible, whether you submitted an artistic piece or put forth your ideas and skills on the Newspaper Club!

Let's see what some of our students have in mind this season!

"For behold, the winter is past; the rain is over and gone. The flowers appear on the earth, the time of singing has come, and the voice of the turtledove is heard in our land."

Science fair } } }

The School Science fair was amazing many people did amazing things like volcanoes, magnetic slime, kinetic energy and many more. The grades that participated were grade's one to five, grade's one and two had the choice to participate, many of them did. They did not get judged, however grade's three, four and five had to participate and they got judged unlike the younger grades. First up the judges looked around the younger grade's projects and looked fairly amazed, this gave the older grade's a chance to prepare for the judges. Then the judges came they slowly analyzed and scored the projects. People were nervous and scared that the judges won't like the projects but they loved them all. They graded us on our presentation and our projects. Finally the judges were done they discussed about who was first, second and third. The overall winners of Munro Academy's first annual science fair were Cayden winning honorable mention, Claire in third place, Levi in second place and Ehi in first place! The science fair was so much fun we all had a wonderful time together we thank the teacher's and the judges for helping with the science fair, I hope you enjoyed reading this as much as I loved writing this from

ART & DRAMA

An Interview with Mrs. Tingley, Christopher, Jaelyn and Mrs. Pinno about the upcoming play, Dorothy Meets Alice. Performances will take place at CBU's Boardmore Theatre October 2023.

Mrs Pinno: So what can you tell us about "Dorothy Meets Alice"?

Mrs Tingley: "Dorothy Meets Alice" is a play about a young person named Judson who hasn't done her homework. Her book report is due the next morning, so she's trying to get the work done in a hurry. She tries watching a little bit of a movie on DVD (The Wizard of Oz), and reading a little bit of a book (Alice in Wonderland), but falls asleep and the two things all jumble together in her brain, and she winds up in the "middle

of an incredible dream" as she puts it. She meets various characters from both stories, and has to help them sort out how to escape from the Tulgey Wood (which is a scary place in between Oz and Wonderland). They meet some witches - and who else do they meet?

Christopher: The Red Queen.

Mrs Tingley: The Red Queen from "Alice in Wonderland". The Witch and the Queen are both chasing all of these characters, so they have to solve the problem of how they're going to escape without the Witch and the Queen noticing them escaping!

Christopher: I'm the Cowardly Lion.

Mrs Pinno: Tell us about your character.

Christopher: At the start I'm - I don't want to call it brave, exactly...courageous almost. I pretend to be courageous, and I go out and scare everyone and then I meet a mouse and I'm terrified, so I'm like this coward. So, yeah.

Mrs Pinno: OK, OK, and who are some of the other characters that we can watch for in the play?

Christopher: The main characters I guess. Well, some main. Dorothy and Alice are played by Sophia and Gabby. The Mad Hatter is played by Salerah; the Scarecrow is played by Haileigh; the White Rabbit is played by Vada; The Tin Man is played by Kokone, and the Wicked Witch is played by Kaylee and Jaelyn splitting it. Oh yes - and the Red Queen of Hearts is Annah-Clare.

Mrs Pinno: Wow what a great cast!

Mrs Tingley: and Hudson is our prompter extraordinaire!

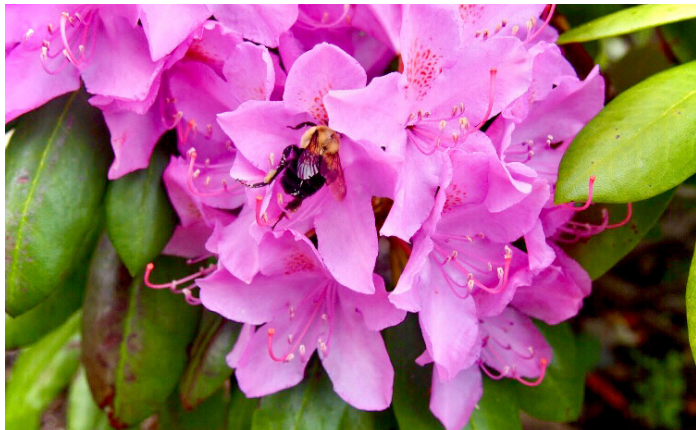

Mrs. Pinno: So we're looking forward to this production being given in October at the Boardmore. We're all waiting with bated breath!

Spring is a beautiful season of new life and anticipation, created and given to us by God. According to Daniel 2:21, "It is He who changes the times and seasons." These verses share with us some of what God's word says about the joy of this season.

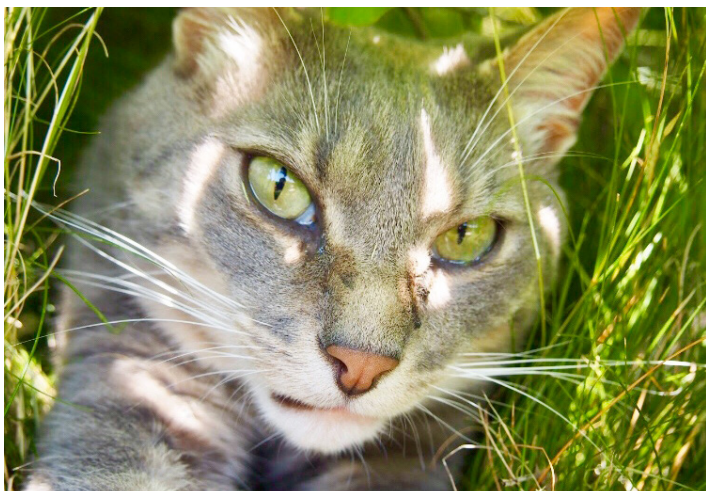

The wilderness and the dry land shall be glad; the desert shall rejoice and blossom like the crocus. It shall blossom abundantly and rejoice with joy and singing.

Isaiah 35:1-2, ESV

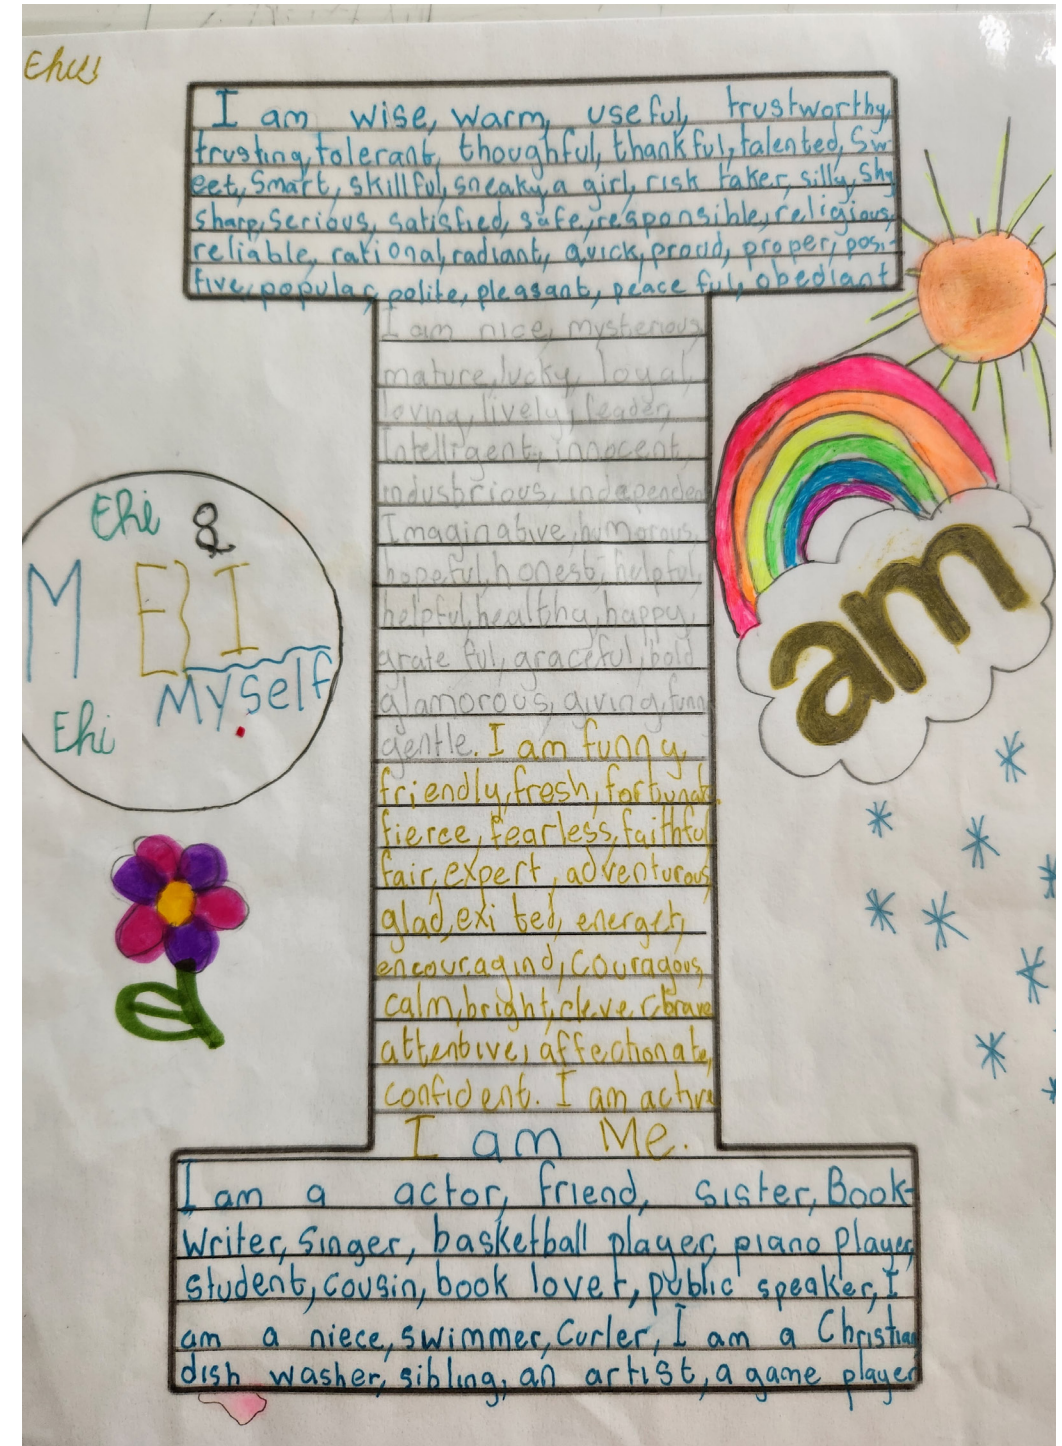

Ask rain from the LORD in the season of the spring rain, from the LORD who makes the storm clouds, and he will give them showers of rain, to everyone the vegetation in the field.

Zechariah 10:1, ESV

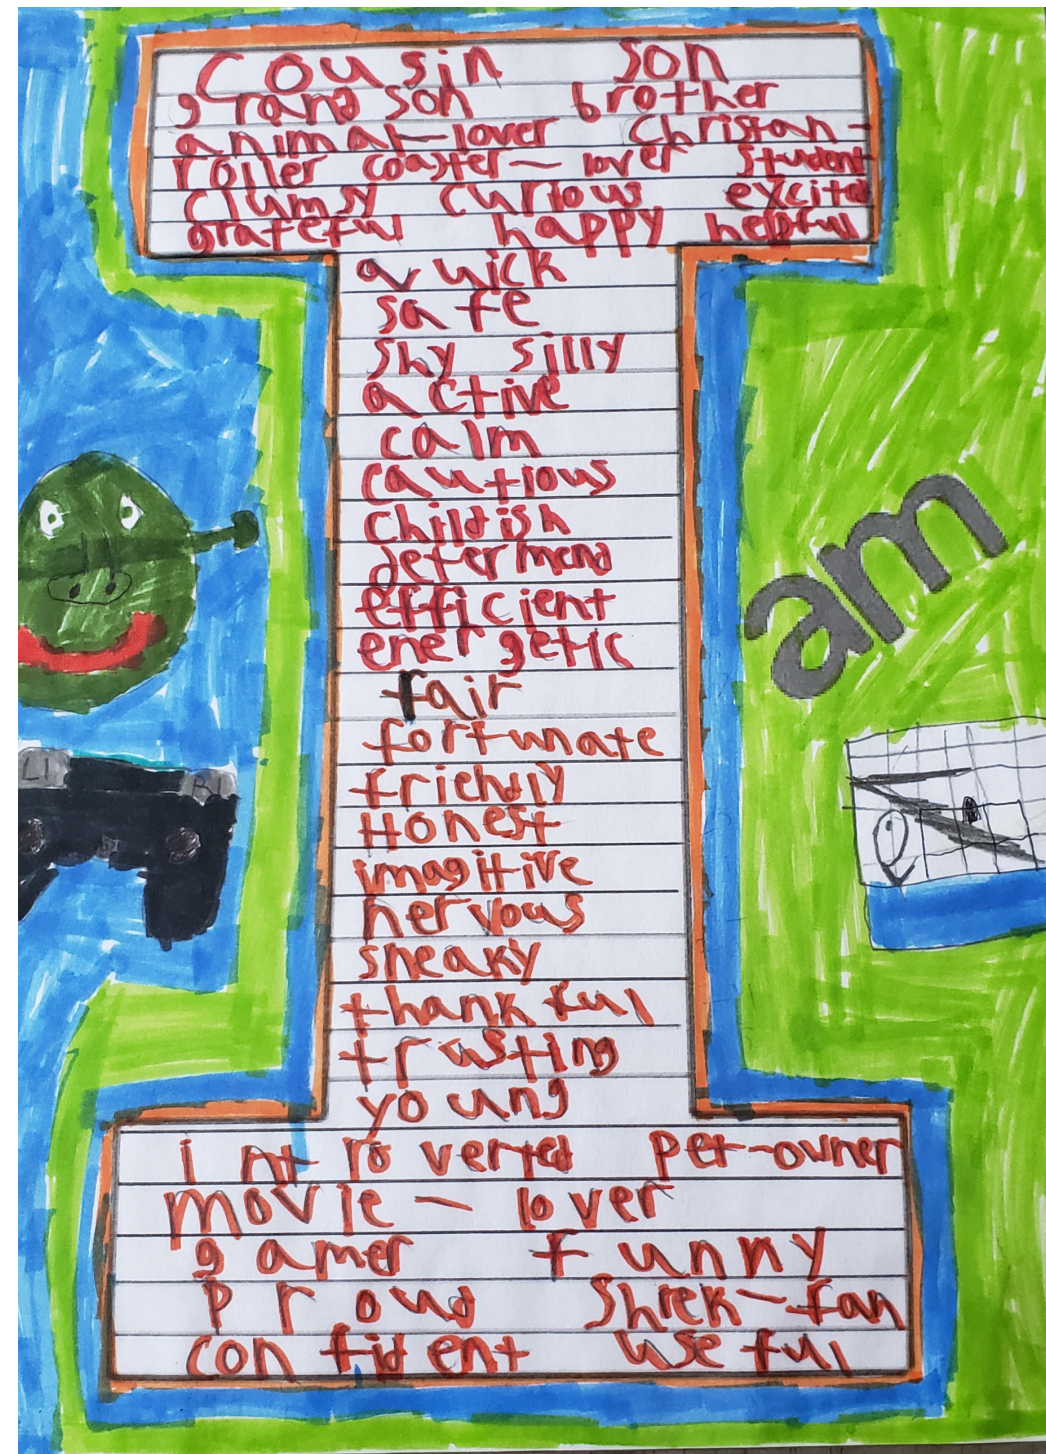

For behold, the winter is past; the rain is over and gone. The flowers appear on the earth, the time of singing has come, and the voice of the turtledove is heard in our land.

Song of Solomon 2:11-12, ESV
